What does it mean to be a Wolf?

South Kitsap high school has a proud tradition and history. The school originally opened in 1921, which made the class of 2021 our 100th graduating class and this year the Centennial Anniversary year. You never know where you might meet a fellow Wolf or Alumni...ask your teachers, many of them graduated from SKHS too!

You belong to a pack that is worldwide, and follow some famous and accomplished people. (It's true, [google it!](#))
What will your legacy be? And how do you plan on making an impact for future generations of Wolves?

Get Involved..

There are tons of opportunities to be involved in clubs, sports, music, drama and other extra curricular activities outside the classroom at SK High. Turn up and take a chance! You might meet your next best friend, have the opportunity to travel, volunteer and help your community, qualify for scholarships, build your resume and you'll be certain to make memories that will last a lifetime.

ASB

SK's Associated Student Body (ASB) is here to fundraise, plan and organize a lot of the fun events that happen during the school year. Homecoming, Tolo, Pep Assemblies, Prom, Mr. SK and more...ASB is a leadership class and each grade level votes for their own student council representatives each year. They meet every other Wednesday after school.
