

SK Summer BULLETIN BACK TO SCHOOL 2021

SUMMER BULLETIN

ISSUE #1

COMMUNICATION

Skyward

The High School uses "Skyward Family Access" to communicate with students and families.

Be familiar with how to log in to view schedules, grades, attendance, get updates on the message board, communicate with teachers, request changes, receive notifications, check your graduation requirements and so much more.

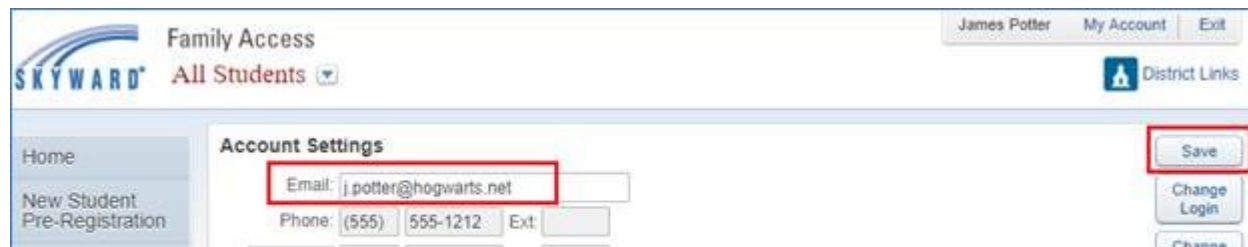

Click [HERE](#) or anywhere on the district website that you see the Skyward logo. Download the mobile app on your smartphone. Mobile versions are available on all major platforms including iOS, Android and Windows Mobile.

Use the Login ID provided to you by your student's school and click "Forgot your Login/Password" to create your password if you have forgotten it or are logging in for the first time.

Click **My Account** at the top of the Family Access page, update your email address, then click **Save**.

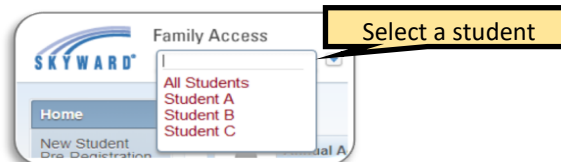

TIP: create a new email account specifically for school related messages, check it regularly and stay in the loop!

More Than One Student

If you have more than one student in the South Kitsap School District, click on the arrow next to *All Students* (located directly under the Family Access header). You may choose between your students here.

Did you know?

You can enter an absence request, excuse an absence or late arrival for your student through Skyward Family Access under the Attendance tab.

Off campus requests will still need prior authorization in the form of a note or phone call from a parent/guardian.

FALL SPORTS

CONTACT the Athletics Office with any questions at 360-874-5731

Registration is now open for 2021-2022 Athletics!
